# A Little Bit About Me

Hi, I'm Lindsey, a Makeup Artist based in Olney specialising in Bridal and Occasion makeup. Makeup to me means so much more than applying products to a face. It is empowering people to feel their best and enhancing confidence in a person. Making people feel and look good is what drives my passion.

I have trained with the P. Louise Academy and continuously ensure I am keeping up to date with new trends and products to allow me to be at the forefront of industry.

## Why Choose Me?

Your wedding day is a momentous occasion, and it's important to look and feel your best. As a Makeup Artist, I consider it an honor to contribute to the success of many brides' big day. I create customised makeup looks for each bride, recognising that there is no one-size-fits-all approach to Bridal Makeup. To ensure that your experience is tailored to your preferences and requirements, I have developed specific packages and a Bride Guide so that we can work together to create your perfect, personalized experience. From that first in-depth consultation to the final luxury touches on your big day. Every detail will be flawlessly executed, bringing your makeup vision to life.

# What to Expect?

## Enquiry

Once I have received your enquiry and confirmed that I have availability for your Wedding date, I will send across a booking form for you to fill in to confirm various details of the day. This form will also contain payment details for the deposit.

## Deposit paid

Once your deposit has been received, your booking will be secured in my diary for the agreed Wedding date. You will receive email confirmation of this (please note on confirmation bookings the address will state the location for makeup at my home studio in Olney, but please ignore this, as the makeup will be at the agreed locations as per the booking form.).

## Trial Date

I recommend trials be done 4-6 weeks before your Wedding day. I set aside appointments on Saturdays & Sundays for trials, and these take place at my home makeup studio in Olney. If you are booking a package, one trial is included in the price. If any additional trials are requested, there will be an additional charge.

## Wedding Day

On your Wedding day, I will arrive at the venue at the agreed time. Beforehand, we will have already discussed timings of the day to ensure everyone is ready on time. It is important that schedules are adhered to, especially with larger Bridal parties.

If you require a mobile trial appointment travel will be charged at 50p per mile.

# Frequently Asked Questions

## How long does the Makeup take?

This is dependant on the number in the bridal party. as a guide the bride will have 1-1.5hrs allocated, and the bridal party 30-45 minutes per person, however times may vary dependant on the makeup look desired.

## What is in the Mini Makeup Kit?

As a professional makeup artist, it is my job to ensure your makeup will last all through the day up until you go home in the evening. I use a range of products during your makeup application to set your makeup in place, however I am unable to prevent disruption of the makeup due to reasons such as- touching/ rubbing of the face, or imperfections caused by happy tears. In the mini kits I provide the following:

powdered makeup puff, Q-tip, sample of lip product, eyebrow spoolie

## What products do you use?

I stock a range of brands within my makeup kit, some examples are, MAC, NARS, Huda Beauty, & Makeup by Mario. I will always ensure I am using the correct products to suit your skin type and every makeup application is tailored to suit you. If you have dry skin, combination, normal or oily, I will have the products suited to you.

## How far will you travel?

I will travel to wherever I am required. however dependant on distance and time, if necessary accommodation may be required at an additional cost.

## What are the Custom Packages?

I have the options for custom packages to create a bespoke package to you, if there is not one I currently offer. These tend to be in cases where the bridal party is smaller/ larger than those included in the packages. If a bespoke package is required for a larger bridal party, a second makeup artist may be required at an additional cost.
